Dear Prospective Team Sponsor,

Our league appreciates the support that our sponsors have given to us. With this support, we have been able to offer 48 consecutive years of youth baseball and softball. Many of the local business owners and community leaders point to their involvement in a youth league as a key experience in their development.

Last year, we successfully ran a spring, summer and fall season. We are happy to report that we fielded 38 teams across 10 divisions for 460 players. Our summer teams won district 7 and section 2 titles in NJ State Little League. Our Senior Softball team won the NJ State Championship.

We plan to continue serving the community in 2022 and we are counting on your *(continued)* support. It is our 49<sup>th</sup> continuous year of youth baseball and softball. Please see the sponsor form enclosed in this mailing for information on supporting the Elmora Youth Little League.

Thank you for your support,

Respectfully,

Manuel Medina - EYL President

Thank you for your support,
